

A long-standing Christmas tradition at Pilgrim Church has been to participate in the Angel Tree program through Project Just Because in Hopkinton. This organization supports local families struggling to make ends meet. Project Just Because moved into a larger facility last year and they are now serving over 850 families in the greater MetroWest area.

Their new location is set up so people can come to the warehouse and “shop” free of charge for the food or home items they are in need of.

Our Christmas mission as a church community is to be the Angels that will help fill the Project Just Because shelves with toys and goods parents can Christmas shop from for their children.

Here is how you can be a Christmas Angel!

The vestibule (front entry) of the church is decked out with 200 ornaments hanging from festive garlands. Each ornament lists gift cards and/or items that parents have requested for their children this Christmas.

Everyone is invited to take as many ornaments as they would like to fulfill and return their unwrapped items to the church by Sunday, December 3rd.

Let’s empty the garland and fill the shelves at Project Just Because to make Christmas a little brighter for someone this year
